NAUTICAL INFORMATION

During our navigation towards Naples, Ponza and Ventotene will be the first lands on sight on our portside, at a distance between 5 and 6 nautical miles. At around 09:00 we will approach the beautiful island of Ischia on our port side entering the Gulf of Naples, while on the starboard side, will be on sight the wonderful island of Capri. Approaching the port of Naples stands out the Mount Vesuvius, the volcano that surmounts the entire gulf, famous for destroying the Roman cities of Pompeii, Herculaneum, Oplontis and Stabiae. After cast off the lines, we will sail through the gulf of Naples with a SW course, on our port side, the lights of Sorrento coast. Once abeam of Capri Island and her lighthouse of Punta Carena, we will leave the gulf and heading to Messina. Distance to sail From Naples to Messina 184 nautical miles.

Important to Know

MANDATORY SAFETY EMERGENCY DRILL

In order to cruise all guests are required to participate in the safety drill as required by maritime law. The safety drill consists of two steps, visiting the assigned assembly station and watching the safety video. Immediately upon embarkation, guests sharing the same cabin are required to proceed directly to their designated assembly station following the letter indicated on the boarding pass. Here the boarding pass will be scanned to confirm participation and crew members will be available to answer any questions. The video can then be watched at any time on embarkation day through the MSC for Me app or Cabin TV. All cabin occupants must watch the safety video. Participation is mandatory for all guests who embarked today. Cruise cards will not be active for purchases until you have checked-in at your assembly station.

SMOKING POLICY

Smoking, including electronic cigarettes, is strictly prohibited in all inside areas including cabins and on balconies. If evidence of smoking is found, a supplementary cleaning fee of €250 will be charged to your account. When utilizing the designated outdoor smoking areas, we kindly ask that you refrain from disposing of cigarette butts overboard, as they could pose a fire risk. Smoking is permitted in MSC Signature Casino during opening hours for guests who are seated and playing in the slot machines, on the right side.

IMPORTANT NOTICE

To minimize risks when ashore, we advise guests to be security aware, avoid carrying large sums of money and having expensive items on display. Never leave your belongings unattended. Respect local laws and customs. Avoid confrontation with locals, and large gatherings. Always acquaint yourself with your government's travel advice.
