Important to Know

ENVIRONMENTAL PROTECTION

We are committed to operating responsibly and sustainably, always striving to improve the environmental performance of our entire fleet. Our ships feature advanced systems that minimise our environmental impact and foster sustainable practices. You can support us by refraining from throwing anything into the sea and using the provided bins for trash disposal. To learn more about our sustainability efforts, you can visit our Sustainability page at

www.msccruises.co.uk/about/sustainability

BILLING STATEMENT

Download the MSC for Me App and keep track of your spending throughout the cruise. At the end of the cruise, you can download a copy of your statement to your mobile device.

BUY FOR GOOD!

Did you know that every MSC Foundation product you buy helps build a better world? That's because all the proceeds go directly to our life-changing programmes and initiatives! Find out more at the MSC Foundation Centre on deck 7 or mscfoundation.org.

FEEDING BIRDS

Some of our guests feed birds on the ship's open decks, balconies, or even at the pier during port days. While this may appear to be a kind act, we strongly discourage it. The birds in question are wild species that depend on hunting for their survival. Feeding them could therefore have negative consequences for their overall well-being.
